

Hill, Pedder, and Minns Fund

Formally known as the Minns Fund. Andrew Minns was a founding member and Trustee of the former Scoliosis Association UK (SAUK). He left money to SAUK to set up a fund to support those affected by scoliosis. In 2018, Mrs Patricia Hill and Mrs Daphne Pedder, long term members and supporters of SAUK passed away and also left funds. Part of their legacy has been added to the Minns fund to ensure we can support as many people as possible.

Who can apply? Members of Scoliosis Support and Research (SSR) affected by scoliosis. Small grants are available to those who require equipment or travel expenses to appointments. The maximum amount granted is £500 and applicants can only apply once per year. At this time we can fund only NHS-related requirements. We do not fund costs related to private treatment.

Completed application forms should be sent by email to info@ssr.org.uk or by post to Scoliosis Support and Research, Ground Floor, 329 Latimer Road, W10 6RA

1. Your details

Applicant's name		Date of Birth
Name of parent or guardian if applicant is under 18
