For all applications involving animal research

Please note that these questions are mandatory for all applications for funding that propose research using animals. Applications may be referred to the NC3Rs for review. Where animal work is sub-contracted, these questions must be completed by the organisation conducting the animal studies.

Do your proposals include procedures to be carried out on animals in the UK under the Animals (Scientific Procedures) Act?

Yes No

Have the following necessary approvals been given by:

1. The Home Office (in relation to personal, project and establishment licenses)?

Yes No Not Required

2. Animal Welfare and Ethical Review Body?

Yes No Not Required

Do your proposals involve the use of animals or animal tissue outside the UK?

Yes No

If your project involves the use of animals, what would be the severity of the procedures?

Mild Moderate Severe

Please provide details of any moderate or severe procedures (no more than 250 words)

Why is animal use necessary; are there any other possible approaches? (no more than 250 words)

Why is the species/model to be used the most appropriate? (no more than 250 words)

Please justify the number of animals to be used per experiment, including details of any sample size calculations and/or statistical advice sought

APPLICATION PROCESS

Application is only accepted via this application form, submitted electronically to grants@ssr.org.uk. The application must be accompanied by:

- Primary investigators 2-page CV
- Ethics approval/application where applicable.

If applicable, evidence of ethics approval must be supplied before any funds (if awarded) will be released. Applications can be submitted at any time. Applicants will be kept informed of the progress of their application but should be aware that a decision can take approximately three months. Applications which do not comply with the stated word limits will be rejected and asked to resubmit. The SSR Appeals Process, Research Strategy and Scoliosis Priority Setting Partnership can be found on the SSR website.

The information you supply when completing your application form will be used in accordance with the General Data Protection Regulations and for the following purposes: to process your grant application; to keep the information for as long as necessary to administer/process a grant. SSR will never sell your information to a third party organisation. The information you provide will be kept securely. If you have any questions or would like to talk to the Data Protection Officer please email grants@ssr.org.uk, call the office on 02089645343 or write to us at Ground Floor, 329 Latimer Road, W10 6RA.
